By accessing or using MyriadFlow, you agree to these Terms of Use, which constitute a legal agreement between you and MyriadFlow. If you do not agree with any part of these terms, please do not use our platform. We may update these terms occasionally, and continued use of MyriadFlow after any changes signifies your acceptance of the revised terms.

2. Account Responsibility

You are responsible for ensuring the security and confidentiality of your account credentials, including your username and password. Any activity that occurs under your account is your responsibility. If you suspect any unauthorized access or use of your account, you must notify us immediately at contact@myriadflow.com. We are not liable for any losses or damages resulting from your failure to protect your account details.

3. Use of the Platform

You agree to use MyriadFlow only for lawful purposes and in accordance with our guidelines. This includes, but is not limited to, compliance with all applicable laws and regulations. Violations may result in account suspension or termination.

4. Trading Digital and Physical Products

MyriadFlow supports the trading of both digital assets and physical products. Physical products can be traded as "phygitals," which are physical items linked to digital representations on our platform. You are responsible for ensuring that all listings and transactions comply with our policies and applicable laws. MyriadFlow facilitates these trades by providing a secure platform for the exchange of both digital and physical goods.

MyriadFlow may involve transaction fees or other charges associated with the use of certain features or services. All fees will be clearly disclosed at the time of the transaction. By using our services, you agree to pay all applicable fees and charges. We may update our fee structure from time to time, and such changes will be communicated to you.
